By becoming a Brook Curtis Jewelry Consultant we'll show you how to be the jewelry expert among your friends, co-workers, neighbors and associates. Whether it is buying a mother's ring, an anniversary band, or a pair of diamond earrings, you'll be the first person your customers will turn to, helping them find the right piece of jewelry at the best possible price.

How to Earn Commissions

Every piece of jewelry you sell will earn a commission, whether it's a loose diamond, or a pearl necklace. Our prices are the best in retail; in fact we guarantee that our loose diamond prices are the lowest in retail. With such tremendous pricing you're sure to make your customers happy and your profits soar. Our proven sales strategy will allow you to create a permanent customer base that will provide you with a lifestyle you never imagined, selling jewelry, earning money, spending time with family and friends and not being tied down working a 50 hour work week and fighting traffic all the way to the office and back.

Brook Curtis Jewelry Consultant will also be able to receive commissions from the sales of other consultants that they bring into the Brook Curtis Jewelry family. These commissions can increase your profit without requiring any additional work on your part.
